

'QUILTED BODY WARMER'

INTRODUCTION: The Global Armour Quilted Body Warmer style of overt vest is a waistcoat style concept with one front and one rear panel. The vest is designed to offer a low profile approach to the use of body armour for those users who would rather not draw attention to the fact they are using armoured vests.

FEATURES:

- Non obtrusive two panel waistcoat style design.
- Constructed using a Navy quilted nylon fabric.
- Internal 3D spacer fabric for good heat management reducing the effects of heat within the vest.
- Front Zip openings for quick operation.
- Adjustable shoulder and side region.
- Optional Lumbar support feature can be provided to reduce stress on the lower back from prolonged continuous wearing.

PROTECTION LEVEL:

Global Armour produces a wide range of soft armour solutions defeating ballistic, stab and spike threats in accordance with NIJ or HOSDB requirements. This product is compatible with all soft armour systems
